

Asian Arts Council

***SOCIAL & CULTURAL EVENT - DECEMBER 1, 2018, Saturday, 4 - 8 p.m.
HOSTED BY South Asian Arts Council (SAAC/CAIS) & Asian Arts Council (AAC)***

Dear Friends,

Join us for the inaugural SAAC/AAC social on the 1st of December 2018 (Saturday) at the beautiful hillside residence of Connie and Ravi Reddy in La Jolla. Ravi and Connie have had a longstanding interest in Indian and Southeast Asian arts, and their collections include medieval sculpture, metal arts, maps and textiles. In the last few years, Ravi has focused on Indian arms and armor and has put together one of the finest small collections, particularly of South Indian material, a portion of which will soon be published.

Enjoy a beautiful San Diego sunset with the view of the ocean, sipping wine with notes of the sitar and tabla while mingling with like-minded art lovers. There will be an informal presentation by SAAC/AAC, a tour of the collections by Ravi, followed by a savory Indian meal. This is a wonderful opportunity to get to know your fellow support council members.

DRESS: Casual - but feel free to wear something festive and colorful. This event will mostly be outdoors so bring along something to keep warm.

PRICE : \$50/pp
